

Greetings,

Kananga Farm animals are 100% grass-fed and grass finished. No grain. All animals are born and raised on our farm. The cattle are raised outside most of the year in an organic manner; without the use of routine antibiotics, hormones, pesticides and the like.

You can purchase our beef by the side, quarter, bundle or package. No minimum amount required. The packaged beef are usually between 1 – 2.5 lb. and are vacuum sealed and frozen. The beef is dry-aged.

Sides and Quarters are sold by hanging weight (h.w.), plus butcher fees. Hanging weight is the weight of the side or quarter of beef before it is cut and packaged. Average butcher fees are \$1.15/hanging weight lb. [This includes cut, vacuum packed, labeled, frozen under USDA inspection].

A side of beef weighs approximately 300 – 400 lbs. @ \$3.25/lb h.w. Quarter is 150 – 200 lbs. @\$3.30/lb h.w.
